Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Continue whole school approach for literacy support
- Develop Literacy blocks with a focus on the teaching of reading comprehension and guided writing
- Provide professional development to teachers and support staff on the explicit teaching of reading and writing to ensure a school wide approach
- Support teachers to provide accurate reading assessment to inform planning and the support of individual students
- Focus on identifying capable learners and differentiating their programs to ensure continues student improvement
