

Investing for Success

**Under this agreement for 2022
Toowong State School will receive**

\$118 400*

This funding will be used to

- Increase the number of students in English to 90% A - C
- Increase the number of students in English to 70% A – B
- Improve teacher capability in planning, teaching and moderating English through professional development, planning sessions and feedback
- Improve teacher capability in supporting target students to improve their achievement in English.

Our initiatives include

- Explicitly teaching synthetic phonics in the early years to develop students' reading, spelling and writing skills
- Providing Literacy Blocks which include a focus on reading comprehension and Close Read strategies
- Providing professional opportunities for teachers to collaborate, discuss and moderate student work samples against A achievement standard
- Supporting students through differentiated programs to improve their reading and writing achievement.

Our school will improve student outcomes by

- Employing and providing ongoing training for educators to support students who require targeted support and intervention
- Purchasing resources to support quality teaching in literacy
- Providing professional opportunities for teachers to collaboratively plan and moderate.
